

NOËLVEMBER (21 in 21)

Would you be able to help this year by supporting the families we have fed through 2021 with a Christmas Treat Parcel? If so, welcome again to 'Noëlvementer!' alias '21 in 21'. Last year we did a similar scheme which was so successful, we were overwhelmed with the generosity of our community.

To take part, grab a box and from 1st to 21st November add one item per day (this could be something from our core foods list or something Christmassy!) We have created an example calendar which can be downloaded from our website or feel free to make up your own!

Then simply drop your box of goodies into our premises at The Haven, 30 Queens View on the following days: **Tuesday 30th November (between 10.30am-2pm), Wednesday 1st December (between 5pm-7.30pm) or Thursday 2nd December (between 10.30am-2pm).** If you would like us to collect, please message us 😊

The core food items will really help to restore our reserves, and we will be delivering a Christmas Treat Parcel out in December to our families who are really struggling at this time - we know this will be really appreciated and will make a difference.

You can download the Reverse Advent Calendar, our Core Food List, and this notice, from our website at the following link:-
