

NOËLVEMBER !

Would you be able to help this year by supporting the families we have fed through 2020 with a Christmas Treat Parcel ? If so welcome to 'Noëlvember!' Last year we did a 'Reverse Advent Calendar' which was so successful, we were overwhelmed with YOUR generosity, so this year we have decided to do something similar!

To take part grab a box and from 1st to 24th November add one item (this could be something from our core foods list or something Christmassy !) We have created an example calendar which can be downloaded from our website or feel free to make up your own !

Then in the **first week of December** simply drop your box of goodies into our premises at 30 Queens View on Tuesday or Thursday between 10.30am - 2pm. If you would like us to collect please message us 😊

The core food items will really help to restore our reserves, and we will be delivering a Christmas Treat Parcel out in December to our families who are really struggling at this time - we know this will be really appreciated and will make a difference.
